

# NOBU HOTEL

CHICAGO

Offering 115 stylishly appointed guest rooms and suites, Nobu Hotel Chicago is centrally located in Chicago's West Loop. The Hotel is brought to life in a theatrical way through the architecture of the building, which playfully blends elements of old world Japanese art and new world utilitarian, with a sense of accessible sophistication. Darker, raw accents come through with the use of blackened steel, which ties back to the industrial history of the West Loop.
